MAKING SURE

Here's one way of making sure that everyone will attend the first annual Police Ball sponsored by the Torrance Police Reserves. However, Ass't. Chief Percy Bennett, Reserve Capt. Steve Schmidt, Chief Willard Haslam, and Reserve Capt. Jerry Alter know that the only persuasion necessary to get the public to attend is a hearty invitation. The dance will be held October 20, 9 p.m. to 2 a.m., Hollywood Riviera club, Redondo Beach. Ronnie Chase and his "Bars and Flats" will be the featured band. —Press Photo.

Vacancies Available at Armed Services Academies

Congressman Cecil R. King announced today his office is prepared to accept applications from young men of the 17th District interested in taking examinations for possible entrance to the Armed Services Academies.

Vacancies will exist at the Military Academy at West Point but not at the Naval Academy. The Air Force Academy at Denver will again use the state-wide competitive examination system, through which 21 young men will be selected from California on the basis of their grades in a series of medical, aptitude and college entrance examinations. Congressman King will nominate ten qualified applicants desirous of taking these examinations.

Applications must be made in

male citizens of the United States who will be 17 years old by July 1, 1957, but who will not have become 22 years of age by that date. Height should be between 5 feet 6 inches and 6 feet 4 inches, with weight in proportion to height. Education should be equivalent to graduation from a secondary school with good grades.

Applicants must be bona fide residents of the 17th Congressional District.

Those interested should write to Congressman King's office,

1125 House Office Building, Washington 25, D.C., stating name, address, and birthdate, and outlining their scholastic accomplishments and class activities, as well as any ROTC participation.

PIE BAKING CONTEST SCHEDULED

If you are a boy or girl between the ages of 14 and 20, and unmarried . . .

If people often have said of you, "such crust" . . . And if you know how to wrap this crust around a luscious cherry filling . . .

Then you're a good bet to hit the "big dough" in the 25th National Cherry Pie Baking contest, according to G. L. Blanchard, Southern California Edison company district manager. Schools and 4-H clubs in this area now are holding preliminary contests, and winners will compete in a district contest to be held at the Edison Electric Living center, 125 S. Catalina, Redondo Beach, on October 31, 1956 at 9:30 a.m., it was announced today.

Winners in each of the Edison Company's 29 district will receive an electric frying pan, and will be eligible to compete in a "division" contest. The five division winners, in turn, will be sent to the state finals at the General Electric Test Kitchens in Los Angeles next January.

Finally, champions from every state, plus Canada, Hawaii and possibly Alaska will compete in the national "bake-off" in Chicago on February 21.

Cash prizes will be awarded regional winners, and the national champion will receive from the National Red Cherry Institute, sponsor of the contest, a \$500 college scholarship in home economics, a trip to Washington D. C. and New York city, and a new electric range.

A collection of fall and winter styles will be shown by Saks Fifth avenue.

Anyone interested in attending the fashion show may contact any Junior members for tickets.

NO ISSUES INVOLVED ASSERTS THOMAS

"There are no issues involved in my campaign for re-election," asserts Assemblyman Vincent Thomas. And Thomas is RIGHT. He has served the 68th district for 16 years and has served it honestly, fairly and impartially. The majority of voters attested to this in the June primary election when they gave him a whopping 80% of the vote cast — 31,568 to his opponent's 7973! Re-elect Assemblyman Thomas Tues., Nov. 6.—(Political Adv.)
